

MFW Schedule for 2025-2026

- You do not have to start MFW before Co-op starts. We will begin the lesson week at co-op, and you will finish out the rest of the week at home.
- **MFW Pre-k and Kinder** - We will be doing all of Day 1 activities of every single week. We might be able to fit one of the additional suggested activities as well. If so, we will let you know which one that is. We will also be reviewing previous weeks. A syllabus will be provided to show the details of lessons
- **MFW Adventures and 1850 to Modern Times/Chemistry and Physics** – We will be providing you with the Syllabus, so you can see ahead of time which activities we will be doing from the TM at Co-op. If the plan changes or we weren't able to get something done that day, we will email you and let you know no later than Monday night.
